FRONT COVER: I'll bet Martin and Osa Johnson would be thrilled to see the final product of the late Buzz Kaplan's Born Again Restorations, their second Sikorsky S-38 replica. EAA photo by Lee Ann Abrams, shot with a Canon EOS1n equipped with an 80-200 mm lens on 100 ASA Fuji slide film. EAA Cessna 210 photo plane flown by Bruce Moore.

BACK COVER: Bill Ellsworth has been a regular contributor to the EAA Sport Aviation Art Competition, and this year's effort, awarded an Honorable Mention ribbon is "Shake, Rattle, Roll, Pitch and Yaw," an 8x10 inch etching. Bill donates his artwork to EAA each year. One of the stairways in the EAA AirVenture Museum is a gallery of his artwork, with 29 pieces of his handiwork on display. Bill is a self-taught artist, and a retired Naval Aviator, a veteran of WW-II, Korea and Vietnam during his 27 year career.
