FRONT COVER: You don't see them very often, so make sure you spend a few moments when you see a Rearwin Skyranger on the flight line. Doug Clukey and Karl Johnson, both of Winter Haven, Florida, restored this nice example. EAA photo by LeeAnn Abrams, EAA photo plane flown by Walt Dorlac.

BACK COVER: Jonathan Franks' oil painting entitled *First Impressions* won an Excellence ribbon from the jury during the 2003 EAA Sport Aviation Art Competition. He created the painting after recalling a conversation with an old friend who mentioned that he had rebuilt a Waco 10, learned to fly it, and then barnstormed around the countryside giving people their first impressions of flight. Jonathan felt an impressionistic style would lend itself well to the subject. We agree! Jonathan can be reached at 11803 Oakcroft Dr., Houston, TX 77070, 281-655-5685, e-mail: cub709@aol.com.
