Front Cover: The rare Fairchild 22 has classic Art Deco lines. Pilot/restorer Tim Talen and owner John Thomason skirt a local rainshower near Oshkosh in John's newly-restored Fairchild 22 C7B. EAA photo by LeeAnn Abrams, EAA Cessna 210 photo plane flown by Bruce Moore.

Back Cover: "The Father Of Modern Aeronautics" is the title of Ulli Misegades' watercolor dedicated to the pioneering German airman. His scientific methods of the investigation of mechanical flight helped pave the way for those who would follow. Ulli's painting garnered an Honorable Mention ribbon in the 2003 EAA Sport Aviation Art Competition. You can contact her in North Carolina at 919-303-8230, or e-mail ullisart@yahoo.com
