Front Cover: Jeanne and Dave Allen cruise past the EAA camera ship in the newly restored Waco ASO they rebuilt and then flew on the 2003 National Air Tour. For more on the Allen's restoration, see the article starting on page 12, then flip to page 16 for more on the NAT. EAA photo by chief photographer Jim Koepnick. EAA Cessna 210 photo plane flown by Bruce Moore.

Back Cover: In a scene that hasn't been captured on film since the documentary days of Martin and Osa Johnson, Thomas Schrade's Sikorsky S-38, "The Spirit of Osa," flown by Waldo Anderson, is flanked by Dick and Patsy Jackson's Sikorsky S-39, "The Spirit of Igor" as they fly north along the Lake Michigan shoreline. Our thanks to photographer Gilles Auliard of I.A.P.A. in Newington, Connecticut for many of the images, including this one that helped us fill out the NAT coverage. You can reach Gilles at IAPA@att.net.
