**Front Cover:** What was going to be a quick paint upgrade turned into an award-winning restoration of this Beech Travelair owned by 5 partners. For more on the fun they had, see Budd Davisson's article starting on page 16. EAA photo by Jim Koepnick, EAA photo plane flown by Walt Doriac.

**Back Cover:** The EAA Sport Aviation Art Competition is open to a wide variety of media, including stained glass. This Navy N3N was a Merit ribbon winner in the 2003 competition for artist Gary Elshoff of Grafton, Wisconsin. Check out his website at [www.flyingcolorsglass.com](http://www.flyingcolorsglass.com).
