Front Cover: The Grand Champion of the 2004 Sun 'n Fun EAA Fly-In was Dr. Phil Wells' Luscombe 8A/E. Dr. Wells carefully replaced the fuselage skins a panel at a time. You can read the article by Budd Davisson, starting on page 12. EAA photo by Jim Koepnick, shot of Fuji 100 ASA slide film. EAA Cessna 210 photo plane flown by Bruce Moore.

Back Cover: "Shelllightning" is the title of Sam Lyons' painting of the 1931 Lockheed Orion 9C used by Jimmy Dolittle to promote Shell aviation products. Dolittle was a corporate officer with Shell Oil both before and after World War II. Our thanks to Robert Stallings III of New Bern, North Carolina, who agreed to loan the painting to the EAA so it could be entered in the 2004 Sport Aviation Art Competition. You can reach Sam Lyons at his Woodstock, Georgia studio by calling 800-544-4992, or visiting his website at: www.lyonsstudio.com.
