COVERS

FRONT COVER: Syd Cohen's Ercoupe is a beautiful example of a vintage airplane you can still buy on a budget. See Budd Davisson's article beginning on page 14 for more on making your dream of aircraft ownership a reality. EAA photo by Phil High, EAA Cessna 210 photo plane flown by Bruce Moore.

BACK COVER: Last year it stole the show when it was on wheels, but this year Chris Price trumped his own work by adding a pair of Heath floats to his Heath Parasol. It was selected as the Grand Champion Seaplane of EAA AirVenture Oshkosh 2004. See Oshkosh Oasis for more seaplane activities. VAA photo by H.G. Frautschy
