COVERS

FRONT COVER: Front and Back Covers: The rare Thruxton Jackaroo was the brainchild of an RAF officer; 16 deHavilland Tiger Moths were modified, and another 10 kits for the modification were made. The four-seat biplane is doubly rare in layout; the controls for the airplane remain in tandem configuration, both on the left side of both the front and aft seats. See Budd Davisson's story beginning on page 14.

EAA photo by Jim Koepnick, shot with professional Canon digital camera equipment. EAA photo plane flown by Bruce Moore.
