COVERS

FRONT COVER: Frank Schilling spent over 31 years restoring this Curtiss Jenny. Read about his amazing journey starting on page 18. EAA photo by chief photographer Jim Koepnick, shot with a Canon EOS 1 on Fuji Velvia film. EAA photo plane flown by Bruce Moore.

BACK COVER: Willie Ropp restored this Curtiss-Wright Travel Air over 15 years ago, and he and his daughter, Belle Hutchins, recently put it back on floats. We last saw it at Sun 'n Fun back in 1991. Nicely compensating for a strong wind from the northeast, Belle made a number of flights during the Sun 'n Fun production seaplane fly-in on the western shore of Lake Parker in Lakeland, Florida. VAA photo by H.G. Frautschy, shot with a Canon EOS 20D equipped with a Canon 80-200mm image-stabilized lens, 1/320 sec @ f10.
