## COVERS

**FRONT COVER:** Monocoupe restorer Bill Symmes is one of the pilots who enjoy the zip of a clipped wing airplane, in this case, his 110 Special. See Sparky Barnes-Sargent's article on clip wing vintage airplanes in her article starting on page 19. EAA photo by Jim Koepnick.

**BACK COVER:** EAA Master artist William Marsalko loaned "Navy Ace David Ingalls," his watercolor and mixed media illustration of a Sopwith Camel F.I flown by the only American naval ace to fly the Camel for England and earn eight victories. Bill's note mentioned that the pilots of the Camel could claim more enemy aircraft than any other type, with 2425 confirmed victories. Bill's entry in the 2005 EAA Sport Aviation Art Competition reminds us that entries for the 2006 edition of this long running art show are being accepted. Visit [www.airventuremuseum.org/art/](http://www.airventuremuseum.org/art/), call the EAA Museum office at 920/426-6880, or e-mail [EAAArtComp@eaa.org](mailto:EAAArtComp@eaa.org) <<mailto:EAAArtComp@eaa.org>> for information regarding this year's event.
