COVERS

FRONT COVER: The Howard DGA-15P has long been one of the most sought after of the aircraft built prior to World War II. Fred Lundeen restored this brightly colored example, with the help of aviation artisans John Miller, Dick Smith, Ken Miller, and Alyn Swedberg, among others. It was selected as the Reserve Grand Champion Antique at EAA AirVenture Oshkosh 2006. For more on this massive aircraft's restoration, see the story starting on page 8. Photo by Sparky Barnes Sargent.

BACK COVER: The Spartan 7W Executive first flew on February 15, 1937, and in honor of the Executive's 70th birthday, we present this full-color advertisement from the pages of the July 1940 issue of *Aero Digest*.
