FRONT COVER: The only Travel Air 10-D still flying, this Golden Age cabin monoplane was restored by Ron Waldron and Harry Wooldridge of the Flying Little River Airport community in McAlpin, Florida. See Sparky Barnes Sargent's story starting on page 5. EAA photo by Jim Koepnick, photo plane flown by Bruce Moore.

BACK COVER: The VAA Friends of the Red Barn Campaign has been helping VAA put on the best convention possible for the past four years. This year, we are honored to highlight the artwork of St. Louis aviation artist Ken Kotik. If you're a Diamond Plus contributor at the \$1,250 level, you're entitled to one of Ken's prints, such as the one featured on our back cover, "Around the Storm" from Ken's Aero Impressions gallery. To learn more about the Friends of the Red Barn or to make a contribution, please visit www.vintageaircraft.org and click on the Programs link. You can also contribute using the special mailing you received last month, or simply call our office at 920-426-6110 for more information.
