FRONT COVER The side-by-side Taylorcraft has long been a favorite of lightplane enthusiasts. We spotted this month’s featured airplane well south in the VAA parking area during EAA AirVenture Oshkosh 2007, and Sparky Barnes Sargent had an enjoyable time interviewing its owner, Joel Severinghaus. See the story beginning on page 10. EAA photo by Jim Koepnick.

BACK COVER: David Macready of the United Kingdom has been kind enough to share dozens of images of aircraft flown in the UK, and we’re happy to start featuring a few of his photographs in this month’s issue. This pretty 1946 Auster 5J1, owned by Barry Dowsett and Ian Oliver, is serial number 1970. David snapped this photo as *Pamela IV* was departing the 2006 Croft Farm Charity fly-in in Defford, Worcs., Great Britain.
