FRONT COVER: The Curtiss Robin is one of antique aviation's most recognizable airplanes. The Robin helped move the business of aviation from helmet and goggles to a suit and hat. Richard Epton's Robin is the only C-1 model flying, now powered by a Wright J6-5. See the article by Sparky Barnes Sargent starting on page 6. EAA photo by Jim Koepnick.

BACK COVER: The Pemberton family's magnificent restoration of their Boeing 40 was chosen as this year's Grand Champion Antique at EAA AirVenture Oshkosh. The big biplane will also take part in the Transcontinental Air mail reenactment flight from New York to San Francisco in mid-September. We'll have much more on the Boeing in an upcoming issue of *Vintage Airplane*. H.G. Frautschy photo.
