COVERS

FRONT COVER: The replica of the Curtiss D-4 *America* as constructed by a volunteer crew headed up by Art Wilder at the Glenn H. Curtiss Museum in Hammondsport, New York, flew for the first time in early September 2008. Piloted by Jim Poel and Lee Sackett, *America* performed in front of a crowd attending the 6th Annual Seaplane Homecoming. Photo by Ed Vought.

BACK COVER: Aviation artist Barry Ross has shared this fine watercolor of a Stinson SR-9C Gullwing, done in the colors of the American Airlines Route Survey aircraft. The airplane, which regular attendees of EAA AirVenture Oshkosh will recognize, is owned by Dean Del Bene, Monee, Illinois. You can see more of Barry's artwork at www.barryrossart.com.
