FRONT COVER: Kent Pietsch's comedy and dead-stick airshow routines have long been recognized and some of the best airwork in the business. A 1942 Interstate Cadet has proven to be the nearly perfect air show airplane for his act. Read more about Kent and his Interstate in Budd Davisson's story beginning on page 6. BACK COVER: One of the prettiest of the high-wing parasol monoplanes, this is Charlie Bell's restoration of a Wright Gipsy powered example. Read more about it in Sparky Barnes Sargent's article starting on page 12. Photo by EAA's chief photographer, Jim Koepnick.
