COVERS

FRONT COVER: By golly, here's something you don't see every day – the replica DH.88 Comet racer, flown by Robin Reid, in formation with the Comper Swift brought across the Pacific by Roy and Primrose Fox, and flown by David Grieg. Both airplanes were on display in the Vintage parking area during EAA AirVenture Oshkosh 2009. For more on the annual fly-in and convention, see the article starting on page 6. EAA photo by Jim Koepnick, EAA photo plane piloted by Bruce Moore.

BACK COVER: Watercolor artist M. Randall Mytar has been kind enough to share a few of his prints with us during past years, and his latest he'd like members to see is this fanciful scene of the Ryan NYP, "The Spirit of St. Louis" as it might have appeared in a Ryan Airlines hangar. Randall lives in Sherman Oaks, California. Known internationally as an architectural designer and illustrator, he is also renowned for his classic automobile artwork. Mytar can be reached at 818-789-7719.
