## COVERS

**FRONT COVER:** With the translucent turquoise waters of the Gulf of Mexico below, father/son team Brad and Glenn Larson cruise along in Brad's 1938 Ryan SCW, which he purchased in 1952. Read Sparky Barnes Sargent's story starting on page 6. EAA photo by Chris Miller, photo plane flown by Bruce Moore.

**BACK COVER:** The Stinson 108 series has been a favorite of generations of pilots since their production in the 1940s. Each seems to weave in and out of people's lives as the airplanes move from caretaker to caretaker. NC6865M is one of those aircraft, and in Budd Davisson's article starting on page 18 you can read more on its journey and the people who have come along for the ride.
