COVERS

FRONT COVER: Jeff and Suzette Deaton enjoy their "going places" machine, a 1954 Beechcraft Bonanza. Jeff has steadily restored and upgraded the Bonanza to the point that it has won numerous awards at fly-ins during the past few years. Read more about it in Sparky Barnes Sargent's article beginning on page 6.

BACK COVER: Jim Smith, now deceased, restored this snazzy blue Waco YQC-6, now owned by Chris Galloway. Jimmy Rollison is the pilot in this photo taken over California by James Dunn. Jim's friend Remo Galeazzi wrote about the process of the restoration in an article that starts on page 16.
